## Christmas Delivery

Order before the following dates and we will get your items to you before Christmas Day.  
Small items - 22nd December (E5.95)  
Large items - 19th December (E8.95)

## Small Items

These products are delivered on our behalf by "Home Delivery Networks Ltd", the largest parcels delivery carrier in the UK. Delivery times for most products are 7am-6pm Monday-Saturday (this excludes Bank Holidays). You will be advised whether there is an am/pm slot available when you order. If no one is at home when the driver calls, in many cases we will be able to leave the parcel with a neighbour or in a safe place. We will leave a card to let you know where to pick it up from or give you some options to re-arrange delivery.

## Large Items

These items are delivered by our own 2 man delivery service. If your goods are in stock at our regional warehouse you will have been given a delivery date and time at the point of order. If your goods are not already in the warehouse we will call you when they are ready for delivery. Check your receipt for delivery information. The evening before your delivery we will let you know your expected 2-hour delivery time slot. On your delivery day, our drivers should phone ahead before they arrive (unless it's an early morning delivery). Any item marked "Home delivery only" will be delivered to any room provided drivers do not feel there are any health and safety issues such as a staircase which is too narrow or there is danger of damage to the customer property (delivery room of choice is not available on items marked as 48 hour delivery). If your order is a combination of small and large items, these will be despatched from different warehouses and will come in 2 separate deliveries but you will only pay one delivery charge. Check your receipt for your delivery information.

## 2 Day Express Delivery Service

Selected items only. Subject to stock at our warehouse and delivery location it will be delivered to you usually in 2 days (this excludes Sundays and Bank Holidays). For deliveries to Northern Ireland Express delivery may take an extra day. Unfortunately we cannot offer this service to remote areas of the UK (Scottish Highlands and Islands).

## Supplier Deliveries

Some items are delivered direct from our suppliers. The supplier will contact you directly to arrange a suitable delivery time. Delivery times may vary from our standard service.

## Collection of Old Appliances

This service is only offered through our home delivery service on the purchase of new large kitchen appliance or selected TV's. If you have ordered collection for a washing machine, dishwasher or fridge freezer the old appliance must be disconnected/defrosted and emptied of water prior to delivery of new appliance. See page 1798 in the catalogue for more details.

## Recycling

Please dispose of your old electrical appliances and any waste batteries responsibly. See pages 1798-1799 of the catalogue for more details.
